# ADMINISTRATION

Dr. Frank Ross Stewart

Greetings to All:

Your Palladium is a precious fragment of the bright mosaic of your year at Troy State College. Set in a scintillating frame it reveals in a sparkling, twinkling, witty and brilliant way the profile of college life.

College life is complex and profound. A fragment of it discloses the high ideals and lofty purposes; the earnest efforts and the powerful reach; the courageous spirit and the positive approach, high spirited, noble and certain.

The Palladium staff succeeded in capturing for all time some of the enthusiasms of the year, and storing them for later use to recall the joys and pleasures which have been the privilege of all of us here at Troy.

My hearty congratulations and very best wishes.

Sincerely,

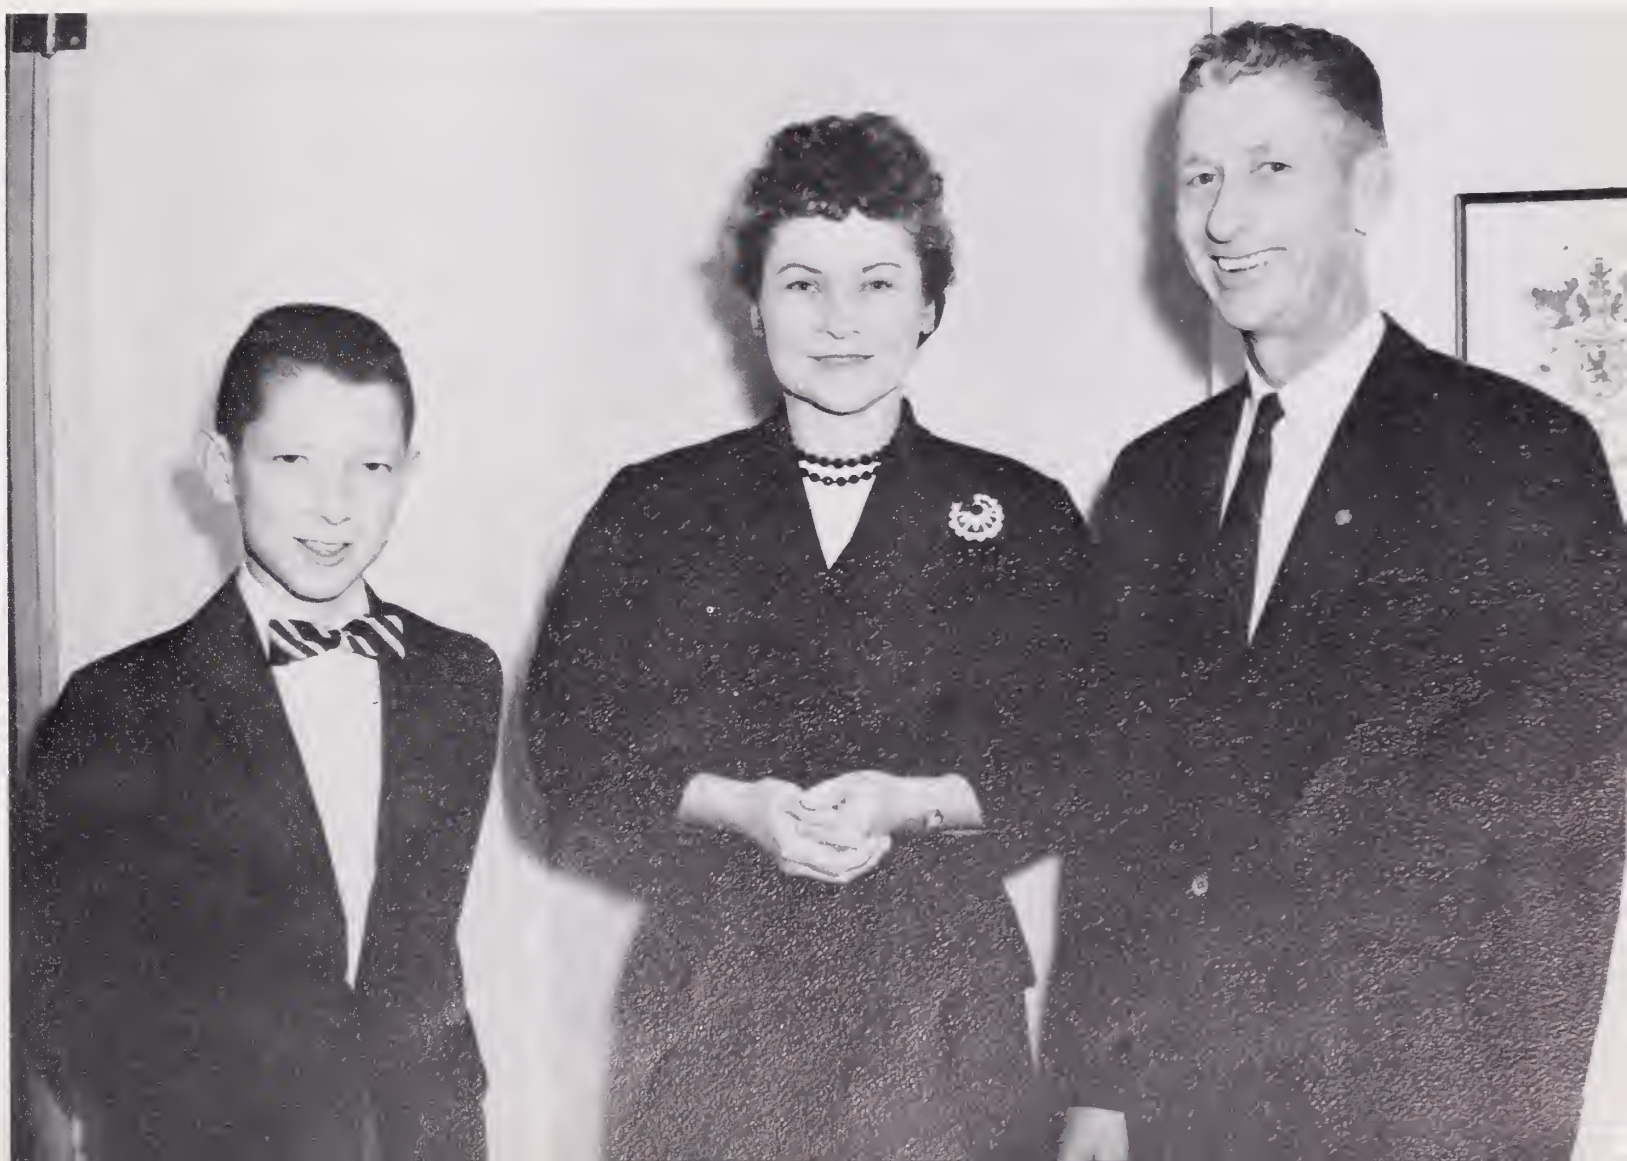

*Frank R. Stewart*

Thanksgiving Bonquet

The Canterbury Club is an organization of the Episcopal Church which is open to all denominations. Meetings are held every Wednesday night at 6:00 in the Parish Hall of St. Mark's Episcopal Church. Members alternate in preparing a light meal which is followed by a program. After the program, a short worship service is held.

The Canterbury Club aims to provide the college student with a break from daily routine and give him a place where he can learn, a place where he can ponder and discuss new and contrasting ideas, and finally a place where he can strengthen his faith and realize the importance of his religion in his life, his school, and his world. It hopes for a strengthening through thought.

# Who's Who In American Colleges And Universities

WHO'S WHO IN AMERICAN COLLEGES AND UNIVERSITIES is published annually to offer public recognition to the most outstanding leaders on the campus of over 700 colleges throughout the United States. WHO'S WHO is a national organization with its home office in Alabama. In choosing WHO'S WHO, each department submits a list of nominees to a committee appointed by the president of the college. The committee makes its decision based on leadership, scholarship, professional attitude, and participation in school activities. These are sent to the central office for approval. The national office sends to TSC the number of vacancies allowed to us. The committee rarely fills the quota because of the feeling that membership takes on greater meaning, if limited.

Walter Davis, from Birmingham, came to Troy State only two years ago. Over this period of time he gained the confidence of the team because of his ability to play "heads up" football. Wolt is a P. E. major and a history minor. Here's to a kingsize player with kingsize desire.

Walter Davis—Tackle

Age 26

Weight 240

Height 6'4"

John Faircloth, a fine guard from Brundidge, Alabama, came to Troy State three years ago from Southern Union Junior College. With desire and ability, he played excellent ball all season long. John is majoring in physical education and minoring in history and social studies. This man might be called the roughest of the crew.

John Faircloth—Guard

Age 21

Weight 185

Height 5'11"

Jimmy Tompkins, a native of Brantley, Alabama, is one of the best tackles this school has ever seen. Jimmy has gained the confidence of the team by being elected Co-Captain of the 1961 team and through his outstanding ability as a football player. He is majoring in physical education and minoring in English. Here's to the toughest of the tough.

Jimmy Tompkins—Tackle

Age 21

Weight 200

Height 5'10"

Mox Howell, from Prattville, Alabama, came to Troy State only two years ago from Hinds Junior College. Mox is truly one of Troy's finest tackles, a fine blocker, and really a terror on defense. He is majoring in physical education and minoring in science.

Mox Howell—Tackle

Age 21

Weight 210

Height 6'

Sommy Owens hails from Blakely, Georgia, and is a two year letterman. Sammy returned to the squad this year after being out for a year. What he lacks in size and speed is overshadowed by his determination and love for the game. The Troy State football team as well as the Troy State students will miss this fine athlete after this year. Sammy is majoring in P.E. and minoring in biological science. We salute this giant in a football uniform.

The day dawned cool and clear. The night before had been filled with much gaiety, and much work also. The annual bonfire and pep rally began the festivities, and preparations for the parade continued throughout the night. With much help and cooperation from the city of Troy, TSC presented her best Homecoming Parade.

### QUEEN AND COURT

Reigning over the Homecoming activities was Glenda Buckalew, a winsome sophomore from Opp, Alabama. In her court were Carol Ann Carr from Samson, Alabama, and Linda Alford from Ft. Walton, Florida.

The queen, escorted by Judson Colley, was crowned by President Frank Stewart at the football game. She was presented a bouquet by Tim Ryles, President of the Student Government Association.

The royal float was beautifully done by the T.S.C. Art Department. The queen sat on the "Mountain of Knowledge"—symbolizing the growth of Troy State.

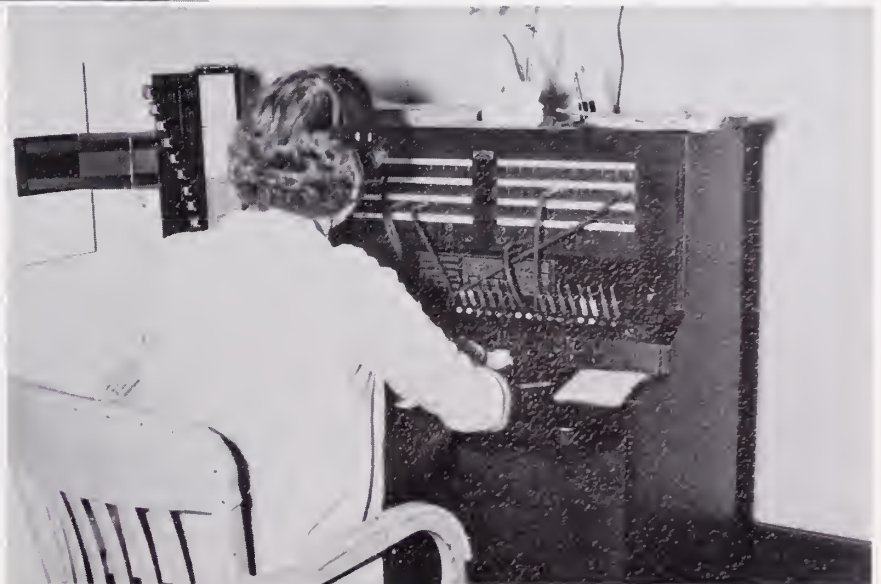

# BEHIND THE SCENES

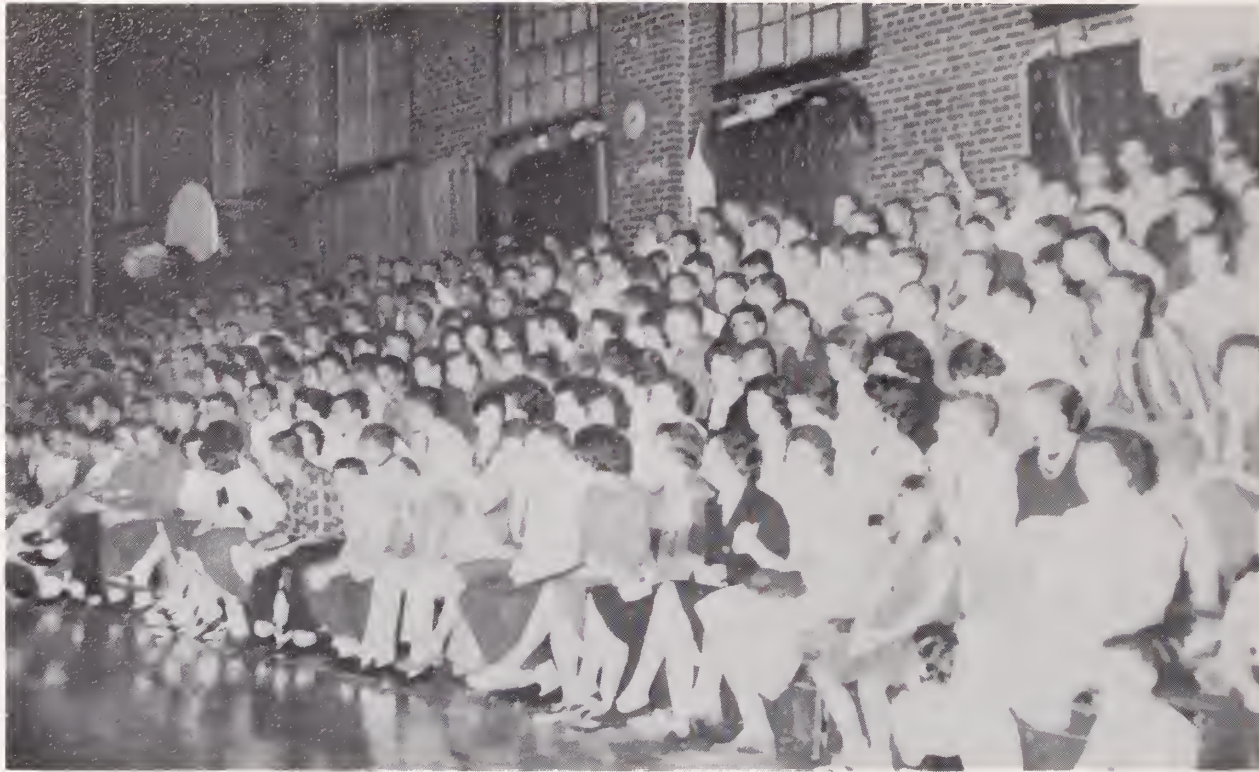

It takes much work and cooperation from many students and staff to supply the benefits and services which the student body demands and expects. Dining Hall workers, office personnel, publication staffs, building and grounds personnel, and administration labor countless hours to make our college life more pleasant and more rewarding. THEY SHOULD NOT BE TAKEN FOR GRANTED!
